

*If you are looking for a place
to get alone with God
and fast and pray,
please consider Praise Mountain.
Many of the people who come here
have strengthened thier walk,
made a real impact with prayer,
and found answers to problems.*

Praise Mountain offers God's people a Retreat with privacy and comfort.

We are located 40 miles west of Colorado Springs, off Highway 24, in the mountains.

There are 110 acres of forest and meadow, bordered on 3 sides by National Forest.

We presently have four ministry cabins.

There are two one bedroom cabins: one with a queen bed, and one with bunk beds; and a five bedroom house for groups that sleeps 10-12; and a 3 bedroom cabin that sleeps 8.

There is a chapel, with a piano and seating for 20 or more.

Also, there are three prayer "caves"-small structures built around rock formations, for total seclusion.

All cabins are widely separated for privacy, they are fully furnished, have refrigerators and private baths. VCRs and CD players are provided for Christian study and worship.

We ask that you bring NO food, pets or young children. This is to maintain the purpose of Prayer and Fasting, and quiet time with the Lord. Leaving the retreat to eat out is not considered fasting.

Our ministry at Praise Mountain is not that of a vacation resort. There are no scheduled activities. Also, this is a completely non-smoking facility.

For local guests, we ask that you bring your own bedding, pillows and towels. Soap, shampoo and toilet paper are provided. Linens are furnished for guests from out of state.

*We operate on donations only and greatly appreciate any financial gifts the Lord leads you to leave. A suggested donation is \$35 each night, with a discount for groups. **Without your gifts, this minisrty could not continue.** This is a Colorado Nonprofit Corporation, and all gifts are tax deductibe.*

We reside in the Office/Home near the entrance, and are available to help and answer questions.

Please call before coming to see facilities.

For reservations call or write as far ahead as possible.

Reservations are a must!

We warmly invite you to join us as God leads.

In the Lord's Service,

Leah Persons
